## AL Ghadeer AL Kuwaitiya

A comfortable home starts with a professional who knows her craft. Since 2020, we have been connecting Kuwaiti households with carefully selected, well-trained, and professional staff from countries including the Philippines, India, Nepal, Sri Lanka, and Ethiopia. Maids, nannies, and drivers — trained, experienced, and trustworthy because we understand the true value of comfort in every Kuwaiti home.

## AL Ghadeer International

International Service... with Local Trust.

Since 2023, we have expanded to serve a wider range of clients seeking recruitment from diverse sources with global standards.

Transparency, commitment, speed in processing... and most importantly: staff who truly understand what it means to be responsible for a home.

## AL Ghadeer Skilled

Skilled from Day One.

Since 2024, we have been providing skilled and semi-skilled workers to serve the Kuwaiti market with high quality.

Electricians, plumbers, construction workers, air conditioning technicians, cleaning staff, and beauty specialists — all carefully selected through rigorous testing, because we focus on results, not just contracts.

## **AL Ghadeer Estate 2024**

Cleanliness that reflects you... and quality visible from the first glance. From cleaning buildings to roads and public facilities, we offer comprehensive services for both the government and private sectors. Our team is trained, our equipment is advanced, and the result is a clean, healthy, and comfortable environment.

## **AL Ghadeer Healthcare - Future Initiative**

The Care You Need... in Your Home. We are preparing to launch comprehensive home nursing services, including post-operative care, chronic disease management, and elderly care. Our standards are medical... but our touch is human.

## **AL Ghadeer Academy - Future Initiative**

We deliver world-class training so you can have complete peace of mind. Our Academy is the core of our workforce development, offering accredited programs that combine advanced skills, professional etiquette, and strong work ethics. The result is a team that arrives fully prepared, confident, and capable — knowing exactly what to do and how to do it.
